

A luxury boutique hotel located in historic downtown Beloit, the Ironworks Hotel is inspired by America's industrial heritage. Overlooking the Rock River, the hotel is home to one of the area's best restaurants, Merrill & Houston's Steak Joint, and is within walking distance of many area attractions and night life.

Ironworks Hotel is a place for people to work hard, play hard and come together.

Both intimate and unique, Ironworks Hotel offers an experience unlike any other in the Stateline area. Style paired with exceptional service and catering, it's perfect for intimate wedding receptions, rehearsal dinners and brunches.
